If you are planning on becoming an e-commerce entrepreneur, specifically in the art of dropshipping, then this book is for you, as you will see many benefits. The beauty of dropshipping is that you don't need to keep actual stock or inventory of the items you want to sell. In this book, we will look at all the beginner information you would need to kick start your first every dropshipping business. You will be filled in with the details on how to start a dropshipping store, and most importantly, how to keep it. Dropshipping is among the easiest and profitable businesses in the e-commerce world, especially for those without a huge capital to work and run with, but they are still interested to sell and make money. This book gives a comprehensive guide on what dropshipping is, a good introduction as well as who is it for, who it isn't for, and the pros and cons. You will also learn how to select a niche, the various methods involved in dropshipping as well as risks or common mistakes in dropshipping. You will also be guided on finding the right suppliers in your business because suppliers are the backbone of any dropshipping site.
