Author: Deborah Feldman

Release Date: Expected @@expectedReleaseDate@@

The author of the explosive New York Times best-selling memoir *Unorthodox* chronicles her continuing journey as a single mother, an independent woman, and a religious refugee. In 2009, at the age of twenty-three, Deborah Feldman walked away from the rampant oppression, abuse, and isolation of her Satmar upbringing in Williamsburg, Brooklyn to forge a better life for herself and her young son. Since leaving, Feldman has navigated remarkable experiences: raising her son in the "real" world, finding solace and solitude in a writing career, and searching for love. Culminating in an unforgettable trip across Europe to retrace her grandmother's life during the Holocaust, *Exodus* is a deeply moving exploration of the mysterious bonds that tie us to family and religion, the bonds we must sometimes break to find our true selves.
